

Blood Clinic Information

It is now possible to view and book all appointments at a range of Phlebotomy Clinics serving University Hospital Hospitals of Derby and Burton (UHDB). To see the full list please visit:

<https://www.uhdb.nhs.uk/service-phlebotomy-blood-tests/>

You will be able to login or register to book your appointment on a system called Swiftqueue.

Daily urgent walk-in appointments are only available for urgent bloods i.e. oncology, renal patients (results required within 48 hours and marked as urgent by the doctor/practitioner) and for patients that are unable to access the internet to book an appointment through Swiftqueue.

Blood tests appointments are limited and issued on a first come first served basis. If all appointments have been allocated for the day, patients will be turned away and asked to return the following day.

Wait times may vary depending on demand and can take up to a few hours.

A summary of the opening times for the URGENT walk-in phlebotomy clinics is below:

- Florence Nightingale Community Hospital 7.00am to 7pm Monday to Sunday
- Coleman Health Centre 8.00am to 3.30pm Monday to Friday

If your blood test form advises that the test is a fasting test, please see the information below for guidance.

- **You must fast for 12 hours prior to your blood test**
- **Take your medication as normal**
- **You are able to drink water only**

Providing you adhere to these you are able to attend any of the above mentioned clinics.

Children's blood tests

Derby Urgent Treatment Centre (Osmaston Road): Provides appointment-based clinics for children under 12. You can book via Swiftqueue or by calling 0300 100 0438
